- Carrying case
- Hex wrench

ABOUT

Performing flawlessly both day and night, the Digisight Ultra N355 is able to detect objects up to 545 yards away with its 752x582 CCD sensor coupled with a 640x480 AMOLED display and modular 940nm IR illuminator. Featuring 3.5-14x magnification with 2x and 4x digital zoom, the Ultra N355 allows remote viewing and sharing via the Stream Vision App and its built-in recording with sound. The Digisight also features Picture-in-Picture digital zoom function, stadiametric rangefinder and an 8-hr. rechargeable battery pack.
